EXPERIENCE

LEAD WEB DESIGNER - DIGITAL SOLUTIONS AGENCY

- Led a team of designers and developers in creating web applications and interactive experiences for clients across various industries.
- Developed wireframes, mockups, and prototypes to visualize design concepts and gather feedback from stakeholders.
- Implemented responsive design techniques to ensure optimal performance across devices and screen sizes.
- Integrated e-commerce functionality into websites, including payment gateways, shopping carts, and inventory management systems.
- Managed project timelines, budgets, and client relationships to ensure successful project delivery.

EDUCATION

BACHELOR OF ARTS IN GRAPHIC DESIGN

UNIVERSITY OF CALIFORNIA, LOS ANGELES

PROJECTS

- Developed a responsive web app for a local restaurant chain, enabling online ordering and table reservations.
- Designed a mobile-friendly e-commerce platform for a retail client, integrating with payment gateways and inventory management systems.
- Created a user-friendly dashboard for a financial services client to visualize and analyze data, improving decision-making and efficiency.
