PROFILE

Aspiring web app designer with a strong foundation in web development and a passion for creating engaging digital experiences. While I may lack extensive professional experience, I am eager to apply my skills and learn from experienced professionals in the field. I am committed to continuous growth and development, and I am excited about the opportunity to contribute to the success of Tastybytes' online food truck ordering platform.

PROJECT EXPERIENCE

Your Job Position here

- Developed a personal portfolio website showcasing projects and skills using HTML, CSS, and JavaScript.

- Created a simple web application for tracking personal expenses using JavaScript and local storage.

- Contributed to group projects during university, collaborating with teammates to develop web-based applications and websites.

Volunteer Experience

Local Nonprofit Organization - Volunteer Web Developer   2023-2024

- Assisted in updating and maintaining the organization's website, including adding new content and features.
